

2011 and Beyond

“What should be on your business radar?”

Wouldn't it be nice if you knew what was on the horizon for your business or organization for 2011?
Here is your opportunity to hear from an expert panel and ask your questions!

Whether you are a large company, small business owner or a non-profit, the Bedford Area Chamber of Commerce Business & HR Group is offering this beneficial panel discussion in order to better prepare you for 2011. According a recent confidence survey, 61 percent of small business owners do not expect the economy to fully recover until late 2011 or early 2012, how will your business be prepared?
