When many people in our community think of the Elks National Home, they think of the beautiful Christmas lights that people travel from all over to see! However, there are other types of lights at the Home...theatre lights! Lights that brighten the stage of Bedford's 32-year-old community theatre group – *Little Town Players!*

Housed in the **Fred Harper Theatre** located behind the main building of the Elks Home, Little Town Players presents quality theatre performed by dedicated actors and actresses from Bedford and the surrounding areas. Each season we strive to perform plays that appeal to a wide array of audience interests – the old and the not-so-old, the cherished and the modern.

We hope you can join us during our 34th Season! We have two wonderful shows left this season, and reservations are just a phone call away – the box office number is 586-5881! If you didn't purchase season tickets this year, we hope you will consider them for next season! Please remember that this is *Your* community theater, and we rely on your help and donations to make LTP a success. We'll see you at the theater!!
