

# Simplifying your Waste Solutions

## COMPREHENSIVE WASTE SOLUTIONS THAT WORK FOR YOUR BUSINESS.

Allied Waste, along with its parent company, Republic Services, provide waste collection, transfer, recycling and disposal services to approximately 13 million clients in 40 states, as well as Puerto Rico. Our team of more than 31,000 dedicated employees is committed to delivering service that exceeds our customers' highest expectations. We operate in a decentralized manner to focus service at the local level.

This allows us to provide you with the resources and competitive pricing of a large company, along with the service you would expect from a small, local company.

Here at Allied Waste, we strive to meet your needs with local market expertise and a talented and professional staff, dedicated to working hard for you and your company.
