Dear Fellow Bedford Chamber Members:

Since we officially became part of the Bedford business community, we have been committed to earning your business by providing the kind of personal service you expect from your hometown Ford, Buick, GMC dealer. For those of you who have not been by our location in a while, we hope you'll take advantage of these special offers and give us the chance to show you first hand how we do business.

We have a great team of sales and service associates at this location who share my desire to make Bedford Ford Buick GMC a shining example of what a Berglund dealership should be. So, next time you need a new vehicle or service on your existing vehicle, count on Berglund to be there for you. And, if you ever feel that you didn't get the best service possible, feel free to call me. I'm here to serve you.

Sincerely,
William Farrell
